New Programmes (in 2024)

The UEHS aims to open new undergraduate and graduate programmes in the upcoming months, e.g.:

- Coaching and Mentoring
- Energy Studies
- Food Technology – Enology, Culinary Art
- International Law
- Polish Studies
- Sinology
- Sustainability Audit
- Tourism

These will be possible through **infrastructural investments** and further **expansion into new cities** in Poland.

Who should choose the UEHS Foundation Program?

- If you graduated from high school, yet you are lacking the degree program entry-level language requirements, this program is the best option for you.
 - If you do not feel confident enough to begin BA or MA academic courses immediately and would like to top up your skills, this is also a perfect choice to start with.

The UEHS in Warsaw is highly regarded nationally and internationally. Our university has been able to **constantly improve its position in rankings**. We are also **highly praised by our students and candidates**, who are attracted to the university by the opportunity to study under very accomplished teaching staff.

According to the announcement of the Ministry of Education and Science regarding the results of recruitment for studies for the academic year 2023/2024, the University of Economics and Humanities in Warsaw was the most frequently chosen private university in Poland.

These distinctions are reflected in the following university rankings:

1st and 2nd place in the prestigious annual ranking prepared by the magazine „Perspektywy” for 2022 and 2023 regarding Saturation of staff with the highest qualifications among all non-public universities in Poland.

1st and 3rd place in the Perspektywy Ranking 2022 and 2023 regarding the criteria of the internationalization.

2nd place in the Perspektywy Ranking 2022 and 2023 regarding Programme of Study: Finance and Accounting (among all non-public universities in Poland).

THE UEHS IN RANKINGS

The UEHS has been included in the QS World University Rankings.

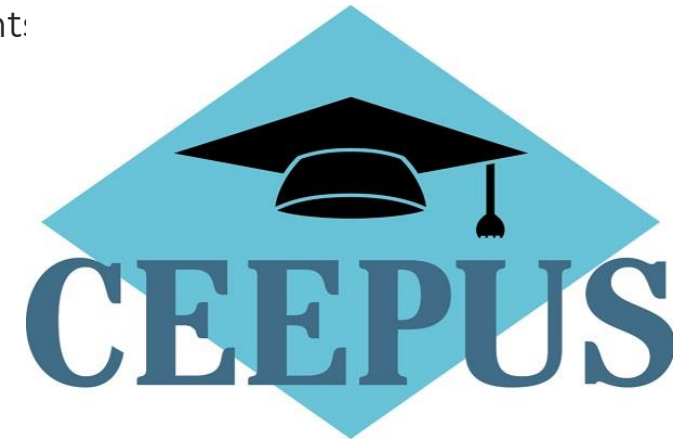

In the recently unveiled rankings, our university secured the following positions:

- **24th place among all universities in Poland;**
- 81st place among universities in Eastern Europe;
- in the broader European ranking, the UEHS is positioned within the range of 551-600.

Global Academic Recognition

The UEHS has been included in the CEEPUS (Central European Exchange Programme for University Studies) accredited universities network.

The primary objective of the CEEPUS agreement is to support academic exchange in the field of training and professional development of student:
